

Dear Victoria and Stefania,

I wanted to take a moment and thank both of you for working with Kathy Dunn Hamrick Dance Company over the past few months. It has been an amazing experience. I think the timing was absolutely perfect, and the ideas you had were spot on. You have energized us, motivated us and actually mobilized us (that's the tough part). Our board members are happy about the new level of involvement with the company. We have changed a LOT, and that's because of you. Plus, now we have a lot of parties! Thank you so much. Really. Y'all rock.
