To Whom It May Concern:

As Associate Director of I Live Here, I Give Here, and a 10 year nonprofit professional, I've seen my share of consulting firms. I'm often asked to give references but I can count on one hand the times I've felt moved to do so.

However, the opportunity to provide a reference for Corcoran & Co. moves me to provide a reference and not only that, I feel honored to be asked.

Corcoran & Co. is the most professional consulting firm I've worked with to date. Not only are they knowledgeable, they are efficient, honest, and truly produce a quality product. What is so refreshing about Corcoran & Co. is that they have a high level of integrity and complete their deliverables as outlined in their proposals. This might seem like a "no brainer" but in a world where there are so many organizations claiming to do "consulting" and then not delivering on what they promised, it is nice to be able to refer Corcoran & Co., knowing that they've kept their word and more on every project I've worked with them on. They have a deep reach into the non-profit community and they have a keen understanding of the challenges that nonprofits face. You can feel secure in the fact that they will walk every step of the journey with you.

It is my hope that you will consider hiring them based on the proposal they provided. I can honestly say that you will not be disappointed.

Please feel free to contact me by phone at 512-736-0493 if you have any questions.
